EMPANELMENT OF HOSPITAL

Food Corporation of India invites offers from renowned super speciality/multi super speciality Private Hospitals/Nursing Homes especially at the furthest areas from Kolkata and in and around Kolkata under the roll of the Corporation for undertaking inpatient treatment/emergency indoor medical treatment by its beneficiaries (Corporation's employees and their dependents and Corporation's ex employees and their spouses and labourers) under Direct Payment System.

The Hospitals and Nursing Homes those which are able to provide good treatment to FCI beneficiaries as well as having latest infrastructure like CT scan, MRI etc may contact with **Asstt.General Manager(Per), FCI, Zonal Office(East), 10A, Middleton Row, Kolkata-700 071** with their proposal along with supporting relevant documents as under :

- 1) Copies of Clinical Establishment Licence issued by Department of Health under the concerned State Government.
- 2) Number of BEDS/O.T., ICCU/ICU/NITU along with status of beds (in Metropolitan city the number of Beds should not be less than hundred for general treatment, multi-super speciality 200 Beds, for super speciality Hospitals 30 Beds capacity per speciality. Other than Metropolitan city number of Beds may be considered up to 50 for all general treatments.
- 3) Income-tax Exemption Certificate under Sec.17(2)(ii)(b) of Income-tax Act, 1961 is a pre condition for empanelment.
- 4) Rates and tariff will be as per existing CGHS rates or actual rates (original) whichever is less.
- 5) Hospitals should have well equipped Lab/OT/ICU/ICCU with Ambulance facility and outdoor & 24-hours emergency facility.

Hospitals/Nursing Homes which are under the existing panel of Central Govt. Health Scheme, Kolkata may submit their proposal for empanelment under Direct Payment System to provide treatment to FCI beneficiaries directly.
